JR Automation Hosts Job Fair & Open House

HOLLAND, MI – October 5th, 2018 – JR Automation is excited to be hosting Job Fair & Open House events on Thursday, November 8, 2018 from 5-8pm and Saturday, November 10, 2018 from 8:30-11:30am. Both events will take place at JR Automation’s facility located at 13521 Quality Drive, Holland, MI 49424.

Candidates attending the JR Automation Job Fair & Open House will be able to speak with hiring managers, complete job applications, and participate in on-site interviews. The goals of the event are to showcase the company’s most recently expanded building in Holland and to provide an opportunity for candidates to apply for careers in-person.

“Job Fairs are a great way to interact with candidates before the hiring process begins, and provides candidates the opportunity to experience the company culture first hand,” said Christy Landrigan, Director of Talent at JR Automation. “We are excited to be launching this event and are looking forward to discussing opportunities with those exploring a career with JR!”

JR Automation has a variety of open positions at all locations in Holland, MI and across the world, including Machine Builders, Machinists, Electricians, Fluid Power Controls Technicians, General Assemblers, Manufacturing Engineers, Project Managers and more.

JR Automation has been in business since 1980, and has received awards for the company’s exceptional growth and excellence in sales and service. The company is passionate about community and donates \$100,000+ to local non-profit organizations annually through a variety of employee-driven fundraising initiatives. Through a dedication to productive collaboration, employees at JR Automation are encouraged to help each other find new ways to think, solve, and create.

To view a list of all open positions at JR Automation and to apply online, visit jrautomation.com/careers.
